

Remarks

It is respectfully requested that claims 1 - 3 and 6 - 20 be reconsidered for allowance in view of this Amendment and these Remarks.

Page 8 and the "Assignment" thereon is cancelled.

In a telephonic interview with Examiner Pauman on 5 August 2004, it was agreed that "15" would be replaced by "19" in the next to last sentence of paragraph 18.

It was also agreed that by Examiner's Amendment, claim 1 would be amended to include the subject matter of claims 4 and 5 and that claim 5 would recite a "discreet lever spring". In addition, it is requested that by Examiner's Amendment, claims 4 and 5 should be cancelled and claim 6 should be amended to depend from amended claim 1.

It was also agreed that that Fig. 3 should be amended by replacing ref. number "15" with "19". Accordingly, a new corrected Fig. 3 is submitted herewith to replace the originally filed Fig. 3.

In conclusion, it is believed that this application is in condition for allowance, and such allowance is respectfully requested.

Any fees or charges due as a result of filing of the present paper may be charged against Deposit Account 04-0525. Two duplicates of this page are enclosed.

Respectfully,
